

# SHL24 Sophomore Housing Lottery

**ROTC PRESENTATION - 24/25 ACADEMIC YEAR**

# GENERAL INFORMATION

**Rising sophomore students in the ROTC program may choose to opt out of the sophomore housing lottery and secure a suite with fellow ROTC students in Tepeyac before the lottery begins.**

## STEP 1: Form a Roommate Group in the Housing Portal

- ▶ Group must be formed with fellow ROTC students
- ▶ Deadline: Feb. 29, 2024

*If you would like to combine two roommate groups to form a group of **5 to 9 individuals**, both roommate group leaders must email Housing at [ohacontracts@sdsu.edu](mailto:ohacontracts@sdsu.edu) to indicate your decision to combine roommate groups for an assigned unit together in **Tepeyac**.*

## STEP 2: Notify Housing by Feb. 29

- ▶ By Feb. 29, Roommate Group Leader must email Housing at [ohacontracts@sdsu.edu](mailto:ohacontracts@sdsu.edu):
  - Indicate decision to **opt out of the lottery** for an assigned space **with fellow ROTC students in Tepeyac**
  - Your decision to combine roommate groups to form a larger group of 5 to 9 individuals, if applicable

## STEP 3: Bed Assignments

- ▶ After review of request - Roommate group leader(s) will work with the assignments team to assign suite and room types (single, double, triple) in Tepeyac for each group member and themselves.

# FREQUENTLY ASKED QUESTIONS

## WHAT MAKES THIS OPPORTUNITY WORTH CONSIDERING?

- ▶ Unlike the standard lottery process, which may result in the dispersion of your roommate group into separate units, **this opportunity guarantees that your entire roommate group will reside together** in the same unit. This opportunity also ensures that you will be in a suite with fellow ROTC students. By opting for this opportunity, you bypass the uncertainties of the lottery process, eliminating the need to navigate room selection during an assigned lottery date and time.

## DO I HAVE TO FILL EVERY SPACE IN THE SUITE?

- ▶ **No**, you do not need to fill the entire suite. Tepeyac suites range from 8-9 students per suite. Any unoccupied spaces within a suite will be assigned to other non ROTC students and available during the sophomore housing lottery.

## CAN I HAVE CO-ED ROOMMATE GROUPS?

- ▶ **Yes**, your roommate groups may be single-gender or co-ed. Based on how you create your roommate group, the entire suite will be designated as single-gender or co-ed. For example, if you create a co-ed roommate group, any unfilled spaces in Tepeyac will be available for another co-ed roommate group.

## CAN I CHANGE MY MIND AFTER FEB. 29?

- ▶ **You will not be able to edit or change your roommate group after Feb. 29.** Since you will be assigned to a space in Tepeyac, you will bypass the sophomore housing lottery. If you wish to change your assignment after Feb. 29, you will need to wait until April when the pre-occupancy room switch process opens.
